

## Key Retention

One of our goals at happy trails pet sitting service is to make your trips as convenient and seamless as possible. At the end of your first sit or at any time, if you are completely satisfied with the service we provide, then we can make your future trips easier and more expedient.

When happy trails pet sitting service takes possession of your keys, they are coded so that the key cannot be matched to your personal information. During your sit, the key is in possession of the sitter (for entry purposes) And when the key is not in use, the key is in a lock box in our office.

With us implementing these precautions we are able to continually retain your keys for future sits. This will eliminate the need for us to pick up and drop off your keys after every visit. This will not only help you, but it will enable us to provide you with exceptional care. At any time, if you wish to start this service, or discontinue this service we will promptly follow your desires.

Please note, that our contract states: #17) we will not be responsible for any keys the client has asked us to be mailed.” This will also eliminate any need to mail your keys as well as eliminate any travel charges to return your keys to you in person.

We hope this service will provide you with a benefit that will make taking trips that much easier.
